

किसान रेलच्या थांब्याजवळ काढणीपश्चात पायाभूत सुविधा उभारणेबाबत

देशात भारतीय रेल्वेने नाशवंत शेतमाल / फलोत्पादन, दुग्ध व मत्स्य उत्पादने इत्यादींच्या वाहतुकीसाठी ठराविक मार्गावर किसान विशेष रेल्वेगाड्या चालवण्यास सुरुवात केली आहे. या रेल्वेगाड्यांद्वारे देशातील सर्व प्रमुख शहरे जोडण्याचे नियोजन केले गेले आहे आणि जास्तीत जास्त भागधारकांना या सुविधेचा फायदे घेणेकरीता सर्व प्रमुख ठिकाणी विशेष रेल्वेला थांबे दिलेले आहेत. नुकत्याच झालेल्या रेल्वे बोर्डच्या बैठकीत असा निर्णय घेण्यात आला आहे की रेल्वे बोर्ड किसान विशेष गाड्यांच्या मार्गावर रेल्वेच्या मालकीच्या मोकळ्या जागांची मार्गनिहाय माहिती जाहीर करेल व यांचा उपयोग नाशवंत फलोत्पादनाच्या उत्पादन केंद्रापासून बाजारात / उपभोग केंद्रांपर्यंत जलद निर्गमन व वाहतुकीसाठी आवश्यक असलेल्या पायाभूत सुविधांच्या निर्मितीसाठी करता येईल. मा. श्री. राजबीर सिंह, IFS, सहसचिव, कृषि व शेतकरी कल्याण मंत्रालय, नवी दिल्ली यांची त्यांच्या दि. २३.३.२०२१ रोजीच्या पत्रात रेल्वेच्या विभागानुसार मोकळ्या जागांची माहिती दिलेली आहे. तसेच या जागा दरवर्षी खुल्या लिलाव प्रक्रियेद्वारे वाटप करणेत येतात असे नमूद केले आहे. त्यामुळे एमआयडीएच योजनेअंतर्गत आर्थिक सहाय्य तसेच कृषी पायाभूत सुविधा निधीअंतर्गत दुय्यम सुरक्षा विना (कोलॅटरल सिक्युरिटीविना) वित्तपुरवठा सुविधांचा फायदा घेताना भागधारकांना/लाभार्थींना रेल्वेच्या रिकाम्या जागेचा तपशील देवुन या जागांवर काढणीपश्चात पायाभूत सुविधा उभारण्यासाठी प्रोत्साहित करावे अशी विनंती मा. श्री. राजबीर सिंह, IFS, सहसचिव, कृषि व शेतकरी कल्याण मंत्रालय, नवी दिल्ली केलेली आहे. त्याबाबतचे पत्र व देशातील तसेच राज्यातील रेल्वे थांब्याजवळील जागा खाली देणेत आलेल्या आहेत.

D. O. No.45-46/2019-Hort.
Dated: 23rd March, 2021

Dear

As you are aware that Indian Railways has started operating Kisan Special Trains on identified routes for transportation of perishable agricultural/horticultural produce, dairy, fisheries etc. These trains have been planned to connect all major cities of the country and have en-route stoppages at all possible locations to cover maximum number of stake holders.

2. In this regard, a meeting was held with M/o Railways/ Railway Board under the Chairmanship of Secretary (AC&FW) to explore the possibilities of creation of post-harvest infrastructure on vacant Railway lands along these routes with participation of State Govt. During the meeting, it was decided that the Railway Board will share the route-wise details of vacant lands owned by Railways along the routes of Kisan special trains which can be utilized for creation of requisite infrastructure required for faster evacuation and transport of the perishable horticulture produce from the production centres to markets/ consumption centres.

3. Ministry of Railways has shared the details of spareable vacant land available in different Divisions, as per enclosed list. It has also informed that Railways allots land through open bidding process on year to year basis.

4. In view of this, it is requested to share the details of the vacant land of Railways among the stake holders and encourage them for setting up of required post-harvest infrastructure along these routes while availing financial assistance under MIDH scheme and collateral free financing facility under Agriculture Infrastructure Fund.
