MSAMB's
“Horticulture Export Training Course”
“HETC”
HETC – 58th Batch
(27/06/2022 to 01/07/2022)

Maharashtra State Agricultural Marketing Board (MSAMB), Pune is the state level organization working in the field of Agricultural Marketing including forward and backward linkages for domestic and export market. Maharashtra is the potential state for export of various agriculture commodities including fresh fruits, vegetables, processed food products, spices etc. Considering the Demand from the entrepreneurs, MSAMB, in collaboration with APEDA, has designed 5 days Certificate course titled Horticulture Export Training Course (HETC) in Pune. We have conducted 57 batches of this course till date. We have got encouraging response for the same and trained around 1392 participants. Around 200+ participants started their activities for agri. export value chain.

The next batch of HETC, with due care to avoid covid pandemic, is scheduled between 27/06/2022 to 01/07/2022 at MSAMB's Training Centre at Market Yard, Gultekadi, Pune.

The batch will of only 25 participants.
