

## **B) Export Department**

In order to boost the export of agriculture commodities from the State, MSAMB have taken several steps. It includes, find out importers from various countries, arrange to send samples of various fruits and processed foods, participate in national as well as international exhibitions/fairs to get new markets for agriculture produce, encourage growers and co-operative societies to export their produce directly through themselves. In the reporting year MSAMB has exported Alphonso & Kesar mangoes to USA & Japan. Also presently working on export of other products like Pomegranate, Banana, Orange, Onion, Mango Pulp, and Cashew nuts etc.

### **Utilisation of export Facility Centres for exports-**

As a part of Agri Export Zone, MSAMB has erected export facility centers with the help APEDA, New Delhi, Co-operative societies & APMC. The Infra structure Facilities like Pre-cooling, coldstorage, Gradingline, Ripening chamber are available for exporter for commercial use of the facility. Till 31 March 2013, the quantity of Agricultural commodities processed is as follows;

<b>Export Facility Centre</b>	<b>Quantity(MTs)</b>	<b>Destination</b>
Alphonso Mango Export Facility Centre, Nachane	1097.15	USA
Alphonso Mango Export Facility Centre, Jamsande	10	USA
Kesar Mango Export Facility Centre, Latur	366.6	--
Kesar Mango Export Facility Centre, Jalna	43.63	USA
Vapour Heat Treatment Facility Centre, Vashi, Mumbai	6675	Europe, Gulf Countries,
Grapes & Pomegranates Export Facility Centre, Baramati	359.09	Europe, Gulf Countries,
Fruits & Vegetables Export Facility Centre, Indapur	691.11	Gulf Countries
Agricultural Produce Export Facility Centre, Indapur	341.32	-
Banana Export Facility Centre, Savada	2480	Gulf Countries
Banana Export Facility Centre, Basmat	--	-
Orange Export Facility Centre, Karanja Ghatge	-	-
Export Facility Centre, Talegaon, Dist Pune	7 lakh Flowers	European Countries

**Proposed /ongoing projects:**

With the help of schemes of RKVY, Government of India, APMCs, Co-operative societies & APEDA, MSAMB has proposed to erect Export facility centers, Modern markets & Flower export centers which are as follows

**Export Facility Centre (8)**

Sr.	Name of the centre	Capacities Of the Project
1	Pomegranate & Grapes Export Facility Centre, Atpadi Dist : Sangali	Pre cooling- 5Mts/Batch, Cold storage – 50 MT Pack house Area – 2000 Sq ft.
2	Orange Export Facility Centre, Amaravati Dist : Amaravati	Pre cooling- 5Mts/Batch, Cold storage – 50Mt Pack house Area – 2000 Sq ft.
3	Banana Export Facility Centre, Indapur Dist : Pune	Farm Pack houses- 3 Nos, Pre cooling- 5Mts/Batch Cold storage – 25Mt, Ripening Chamber- 25 MTs Material handling Line- 2Mts/Hr
4	Onion & Pomegranate Export Facility Centre, Chandwad Dist : Nasik	Pre cooling- 5Mts/Batch, Cold storage – 50Mt Onion storage Structures Onion Grading line
5	Fruits & Vegetables Export Facility Centre, Khadkewake, Tal : Rahata Dist : Ahmednagar	Pre cooling- 5Mts/6 Hrs Batch Cold storage – 150Mt Sub station, DG Set, Fire Fighting (Dry Base)
6	Kesar Mango Export Facility Centre, Beed Dist : Beed	Pre cooling- 5Mts/Batch, Cold storage – 50Mt Ripening Chamber- 5 Mt Material handling line – 1.5 Mt /Hr Pack house Area – 2000 Sq ft.
7	Pomegranates, Onion & Grapes Export Facility Centre, Kalwan, Dist Nashik	Pre cooling- 5Mts/Batch, Cold storage – 50Mt Material handling Line- 1.5Mts/Hr Onion storage Structures – 500 MTs
8	Irradiation Facility Centre, Vashi Navi Mumbai	Cold storage – 100 MTs Pre cooling- 5Mts/Batch Ripening Chamber – 20MTs /Batch Material handling line – 2 Mt /Hr Electric Sub station with transformer 500 KVA, DG Set 500 KVA Irradiation Mangoes – 5 MTs / Hr Grain & Pulses – 10 Mts/Hr Spices – 1.1 Mts/Hr

### Flower Export Facility Centre (3)

Sr. No.	Name of the centre	Capacities Of the Project (For Each project)
1	Talegaon Dabhade, Dist. Pune	Pre cooling (2 Nos) – 5 Mts/ 6 Hr Batch
2	Dindori, Dist. Nashik	Cold storage (4 Nos x 25 Mts Each) – 100 Mts Anteroom, Store room, office etc.
3	Satara, Dist. Satara	

### Modern Marketing Facility Centers for Fruit & Vegetables (20)

Sr. No.	Fruit & Vegetable Modern Marketing Facility Centres	Capacities Of the Project (For Each project)
1	Thangaon, Tal. Sinner, Dist Nashik	Cold storage – 25 Mt
2	Loni, Tal. Rahata, Dist. Ahmadnagar	
3	Shirpur, Dist Dhule	Pre cooling - 5Mts/Batch
4	Yawal, Dist. Jalgaon	
5	Palghar, Dist Thane	Antechamber, plant room, office , store room
6	Shel Pimpalgaon, Tal. Khed, Dist. Pune	
7	Masur, Tal. Karad, Dist. Satara	Pack house Area – 1500 Sq ft.(Approx)
8	Mahswad Dist : Satara	
9	Barshi, Dist. Solapur	
10	Talsande, Dist. Kolhapur	Electrical & D.G.Set
11	Karmad, Dist. Aurangabad	
12	Ghansawangi, Dist. Jalana	Input shops – 3 Nos
13	Kalamnuri, Dist. Hingoli	
14	Ardhapur, Dist. Nanded	Water Supply
15	Majalgaon, Dist. Beed	
16	Chandur Railway, Dist. Amarawati	Lavoratory
17	Deulgaon Raja, Dist. Buldhana	
18	Bhiwapur, Dist. Nagpur	Plot development works- Approach Road, Compound wall Etc. partly
19	Mohadi, Tal. Tumsar, Dist. Bhandara	
20	Wardha, Dist. Wardha	

## Mango Export to USA

Since Mango season 2007, the market of United States has been opened for Indian Mangoes. As per guidelines of USAD, It is mandatory to give Irradiation treatment to the fruit before export of Mango. As per tripartite agreement between BARC/BRIT & MSAMB, the Krushak Facility, Lasalgaon has been taken by MSAMB on lease basis which helps to open the doors of USA Market to Indian Mangoes like Alphonso & Kesar. Mumbai is main Hub for all agril commodities. Considering Importance of Mumbai , With the financial help of APEDA, New Delhi & Subsidy from RKVY Scheme, MSAMB has undertaken ertion of Irradiation plant at Vashi having project cost Rs.29.36 Crs.

### KRUSHAK Facility , Lasalgaon

With the help of Exporters have processed Alphonso, Kesar, Banganpali, China rasalu, Rajapur Goa Mankur etc Varieties of mangoes & exported to USA.

Mango Season	Quantity exported to USA
2010	95.12
2011	84.48
2012	210.00

Approval for processing Onion & Onion Powder is obtained from A.E.R.B. From this facility , 95.04 Onion Powder was also processed .Doze mapping of Pomegranates is also completed from export point of view. MSAMB is also trying for taking trials for Resin processing.

### Vapour Heat Treatment Plant:

As per guidelines of Japan & New Zealand, it is mandatory to give VHT treatment to Mango. At present this facility is available only with MSAMB. Maharashtra State Agricultural Marketing Board (MSAMB) with support and co-operation of Agricultural Processed Foods Export Development Authority (APEDA), New Delhi has set up VHT facility at Vashi in year 1999-2000 having project cost of Rs. 4.00 Cr. The quantity of Agril produce processed at VHT Facility center is 6675.00 M.T . This facility was approved for Export Bitter Goard to European countries & 983 M.T Bitter goard was exported from this facility. In year 2013 ,VHT facility is also approved for exporting Mangoes to New Zeland. .

### Mango & Cashew Board

Area under Mango & Cashew in India as well as Maharashtra is increasing very fast but there is an urgent need to increase the productivity of Mango & Cashew. To avoid losses in post-harvest management & processing, there is need to follow the practices by scientific way. To Support & to train the Mango & Cashew Growers, there is need to formed separate Board for Mango & Cashew. In this regards, Hon Minister of Agriculture & Marketing & Chairman of MSAMB has announced Core committee for formation of Mango & Cashew Boars under Chairmanship of Hon. Krushna Lavekar.

The Core committee conducted 5 Meetings & will be submit the report to Govt. of Maharashtra.

### **Market Facilitation Centre Dubai**

MSAMB has established Market Facilitation Centre at Jafza Dubai. The officers of this office was participated in Gulf food 2013 & discuss with Fruit & Vegetables exporter regarding Supply of Fresh Fruit & Vegetables. The Market Facilitation Centre has got trading license which is required for Trading & import of Fresh Fruit & Vegetables, Processed Products, Storage, Transport etc.

### **NOCs for Onion Exporter to export Onion**

MSAMB act as a Canalising agency for export of Onion in Maharashtra State & issue No objection Certificate to the registered Onion Exporters. In year 2012-13 MSAMB has issued 1914 NOCs through Pune, Nasik & Vashi offices to Various Onion Exporters & received Rs.99.61 Lakhs as a Service charges.

### **Agricultural Export Promotion Scheme:**

To boost the agro export from the state MSAMB has continued various schemes for farmers and entrepreneurs

1. Guidance to avail Import Export Code (IEC) and Agricultural and Processed Food Products Export Development Agency (APEDA) Registration.
2. Provided country specific and product specific list of importers.
3. Provided export quality material to private exporters.
4. Conducted export after Quality checking, grading & packing.
5. Obtain and disseminate information on quality and packing standards in various countries.
