B) Export

Maharashtra State Agricultural Marketing Board (MSAMB) Export section has organized training programs at grassroots levels for post-harvest management of agro produce including precooling, cold storage, Ripening, packaging, logistics etc., to increase the export worthy production and post-harvest management, with the support of horticulture department, cooperation department, agriculture universities, local APMCs and guidance from APEDA and NPPO, Government of India. MSAMB provides the basic export oriented infrastructure for sorting, grading, packaging, handling, storage etc. MSAMB supports local APMCs and cooperative societies to get the funding from central and state government to create the infrastructure in the state.

MSAMB undertake the policy to boost of the agro export from Maharashtra. By implementing schemes viz. searching importers and sending samples of fresh fruits, vegetables and processed products, participation in various national and international exhibitions and trade events, exploring new international markets etc. MSAMB provides the importing orders to the grower exporters as well as farmer groups for supply of material for export and also organizing buyer-seller meets. MSAMB's export facility centers has played very important role in exporting various agro produce like mango, pomegranate, banana, oranges, mango pulp, cashew, flowers, onion to USA, Japan, New Zealand, UAE, Australia, South Korea, Mauritius, Russia.

MSAMB's Export Oriented Infrastructure

Government of India has declared Agri export zones (AEZ) in the state of Maharashtra for Alphonso mango, kesar mango, onion, oranges, banana, pomegranate, and flowers. For AEZ of alphonso mango, Kesar mango, onion, oranges, banana, pomegranate MSAMB has been appointed as a nodal agency for its implementation in the state. Being nodal agency, MSAMB has realized the need of the export oriented pack house and facility centers for fresh fruits and vegetables, to reduce the post-harvest losses and as per the demand from the importing countries of agricultural produce.

We are pioneer in the state for creation of common infrastructure for post-harvest management by establishing pre-cooling, cold storage, packing grading line, ripening chamber etc.

1) Vegetable Processing Center (VPF), Vashi

European Union has imposed restrictions on imports from India importing mango and five vegetables. On this backdrop, Agriculture Marketing Board has taken the initiative and in collaboration with Apeda and Agriculture Produce Market Committee, Mumbai, the Vegetable Process Center has been set up by the Agriculture Marketing Board at Vashi. Hot water process is available on the facility for mango, okra, chilli, brinjal and other vegetables. Also, pre-cooling and cold-storage facilities set up at the facility. This facility has been important for the promotion of vegetable in European countries. Also, this facility provides hot water process required for mango exports in the USA. This facility is used by private exporters, farmers and co-operatives to export their goods.

2) Irradiation Facility Center, Vashi, Navi Mumbai

Market access to Indian mangoes opened in the year 2006 with the condition of irradiation on mangoes. BARC's irradiation facility at Lasalgaon was not feasible for exporters due to transportation issue, hence considering exporter's demand and guidance by APEDA, MSAMB established Irradiation Facility Center (IFC) at Vashi, New Mumbai with the financial assistance from RKVY, APEDA and MSAMB's own investment. This facility has been approved by AERB, DAE, NPPO, USDA-APHIS, FSSAI. This facility is being used for irradiation treatment on mangoes, pomegranate, Spices, pet feed, dry fruits, onion, ata, suji, cereals, acacia gum etc. for export.

3) Vapour Heat Treatment Facility Center, Vashi, Navi Mumbai:

This is an unique integrated export facility center established by Maharashtra State Agricultural Marketing Board (MSAMB) in the year 2002 with assistance from Agricultural and Processed Food Products and export development authority (APEDA). This facility is situated in the heart of fruits and vegetable market Vashi, New Mumbai. The aim behind the setting up of this pioneer unit is to cater the need of fresh fruits and vegetables exporters and to educate the people who are engaged in this field. In this machine the fruit (mangoes) temperature rises up to 47.5 °C to achieve the complete disinfestations of fruit fly which is a mandatory process for export of mangoes to Japan. The capacity of Vapour Heat Treatment is 1.5 MT per batch. The exporters are using the allied facilities for export of their agri. produce to various destinations.

Schemes and activities of MSAMB for export promotion:

A) Subsidy Scheme for export of agriculture commodities by sea route-

Transport Subsidy of Rs. 50,000/- for export of agriculture commodities by sea route container to newly opened countries.

In order to boost the export of agriculture commodities grown in Maharashtra state, a proposal was under consideration of Maharashtra state Agriculture Marketing Board for financial assistance to Cooperative Society, Farmer Producer group, company, firm, exporter, farmer for direct export of fruits and vegetables (excluding grapes), if it is exported through sea route by container. Therefore a Transport Assistance Scheme has been launched as per the MSAMB's Board Meeting No. 134 dated 2nd July, 2018. It has decided to reserve a fund of Rs. One Crore for the scheme.

This scheme is launched in order to increase the involvement of Cooperative Societies and Farmer Producer Companies in agriculture export.

The Cooperative Society, Farmer Producer Company, Farmer, Company, Exporter, FPO can avail the benefit of this scheme, upto Rs. 50,000/- per container (20 ft./40ft.) The maximum subsidy per beneficiary will be Rs. 1 Lakh per year.

MSAMB has continued the scheme for FY 2021-22 and allocated the fund of Rs. 1 crore for the same.

Country and destination for Transport Assistance Subsidy Scheme:

Sr. No	Country	Commodity
1	USA	Mango, Pomegranate

C) Implementation of Agri. Export Policy (AEP) in Maharashtra State:

India is a leading producer in the world in production of food grains, milk, sugar, fruits and vegetables, spices etc.. The central government has announced an agri export policy to double the income of farmers by 2022. Exports of agricultural commodities will play an important role in fulfilling this objective.

Maharashtra is an important state in the country in terms of agricultural exports. Other states in the country are also doing a lot in terms of agricultural exports. It has been mentioned that the state government should be actively involved in the agricultural export policy of the central government. The Central Government has appointed Maharashtra State Agricultural Marketing Board as the nodal agency for implementing agricultural export policy in the state. In that connection, the Government of Maharashtra has prepared an agricultural export policy of the state and submitted it to the Government. Under this agri-export policy, cluster wise training programs, meetings at various levels to meet the challenges of export growth, meetings of farmers, producers' co-operatives, producers' associations, farmers' production companies, exporters and government agencies are being organized.

C) Project

1. Project Consultancy Division

Marketing Board offered consultancy to the APMCs and Co-operative and received an excellent response. This led to the foundation of full-fledged project consultancy division and it is established as 23rd July 2003.

The Project Consultancy Division prepares Project Reports for Export Facility Centers to be erected by MSAMB and submit for subsidy from RKVY and APEDA. It also scrutinize APMC's proposals under the sub scheme Agricultural Marketing Infrastructure (AMI) of Integrated Scheme for Agricultural Marketing (ISAM) of GoI.

At present the consultancy division is providing consultancy services to agro processing projects. Project Consultancy Division is having project in hand valued at an estimated cost of Rs.250 Crores.

This is an activity of selling agricultural produce directly to the consumer eliminating middleman. MSAMB started this activity in the year 2003 by arranging Mango Festival. So to run this activity continuously MSAMB brought up the scheme namely Fruits & Grain Festival.

1) Fruits and Grain Festival Subsidy Scheme -

The scheme is being implemented to organize festivals for sale of seasonal fruits like mangoes, oranges, sweet oranges, grapes, etc as well as grains directly from producers to consumers.

- **Beneficiaries:**

Agricultural Produce Market Committees in the State, Co-operative Societies established for marketing of agricultural commodities, Government Departments, Producers Co-operative Societies, Farmer Producers Companies, Public Charitable Trusts and Societies Registered under the Act 1860

- **Terms and Conditions:**

1. The duration of the festival should be at least 5 (five) days.
2. Financial assistance of Rs.2000 / - per stall for the festival will be payable.
3. Subsidy will be payable for minimum 10 and maximum 50 stalls in the festival.
4. A maximum subsidy of Rs.1.00 lakh will be payable for the festival.
5. Subsidy will be payable once in a financial year to the beneficiary for organizing Fruit and Grain Festival.
6. It will be mandatory for the organizers to name the Agriculture Marketing Board as the co-sponsor in the promotion and publicity of the festival e.g. banners, advertisements, news, backdrop, hand bill, etc.
7. If the MSAMB wants to have a stall in the festival, it will be mandatory for the organizers to provide the required stalls free of cost.
8. The report of the festival and some selected photos should be submitted to the MSAMB for publication in the 'Krishi Panan Mitra' monthly magazine of the Krishi Panan Mandal.
9. The Agricultural Marketing Board will not be responsible for quality, rates and other ancillary and legal matters of the festival. However, it will be binding on

the stall holders to sell only good quality produce. It will be up to the organizers to ensure this.

10. A complete proposal for organizing the festival must be submitted with the recommendation of the Divisional Office of the MSAMB.
11. As the festival is for producers only, traders will not be able to participate in it or will not be able to bring produce from the market and sell them.
12. Subsidy will not be payable under this scheme if it is taken under any other government scheme for the festival.
13. It is mandatory to write a guarantee on the stamp paper of Rs.100/- that all the above mentioned terms and conditions are acceptable.
14. The Agricultural Produce Market Committees of the State can organize the festival a maximum of five times in a one financial year and for all the festivals together 50 stalls (minimum 10 stalls per festival) per stall Rs.2000, the maximum subsidy of Rs.1.00 lakhs is payable.
15. It will be mandatory to get No Objection Certificate (Fire NOC) from the Fire Department for organizing the festival.

In the year 2022, the festival will be organized in the state as well as in other state

This year the festival was held from 1st April to 3rd June in the open space of Vakhar Corporation in front of PMT Bus Depot at Gultekdi Market Yard Entrance No. 9, Pune. Around 51 stalls were made available to mango growers. Around 70 Hapus mango growers from Ratnagiri and Sindhudurg districts of Konkan were participated. Around 2.25 lakh dozens of mangoes were sold directly from farmers to consumers during the festival, generating a turnover of Rs 14.60 crores.

Apart from this, under the fruit festival scheme, 5-day festival campaign was successfully conducted in Junnar, Kurduwadi, Pimpri-Chinchwad, Mumbai, Aurangabad, Pal (Jalgaon), Bableshwar (Ahmednagar), Sangli, Ratnagiri, Dapoli and Kolhapur and also in Belgaum in collaboration with Horticulture Department of Karnataka State was done. These festivals have received huge response from the local residents and a total turnover of around 17 crores has been achieved.

2) Inter-State Agricultural Trade Development: Road Transport Subsidy Scheme

Maharashtra is the leading producer of fruits and vegetables. Onion, tomatoes, pomegranate, grapes, banana, mango are major fruits and vegetables. Fruits and Vegetables are perishable and due to improper handling and storage practices, delay in transportation there are about 20 to 30 per cent losses.

Now a day's domestic trade has also become important like exports due to demand and better price realization. Basically farmers do not want to disturb their routine as well they are not ready to pay the transport charges as an additional charge and at the end they sell their produce at door step. However toady many farmers also realize the importance of sending their produce to other state. So by studying this situation and practical facts MSAMB decides to promote Interstate trade by way of starting Transport Subsidy Scheme. Subsidy will be provided under this scheme up to 31st March 2023.

The salient features of the scheme are as follows;

1. This scheme will be applicable only for the transaction of direct sale of agricultural commodities by road transport from Maharashtra to other states.
2. Registered farmer producer companies and agricultural producers co-operative societies in the State are eligible for subsidy under the scheme.
3. It is mandatory to send the agricultural produce; produced by the members of the registered farmer producer companies, agricultural producers co-operative societies to other state.
4. Applicant organization will need to get pre-approval of the MSAMB before commencement of work.

5. This scheme is applicable for crops like Mango, Banana, Pomegranate, Grapes, Orange, Citrus, Onion, Tomato, Ginger and vegetables. If the perishable agricultural commodity is not mentioned in the list, the beneficiary will have to get the prior approval of the MSAMB by stating so clearly.
6. Under this scheme, subsidy will be payable on agricultural produce transported by road. It will not include any other incidental expenses and the subsidy will be payable only after the actual sale of agricultural produce.
7. The following subsidy will be payable as per the actual transport distance under this scheme.

S.No.	Distance	Subsidy payable
1.	At least 350 to 750 Km	50% of the transport cost or a maximum of Rs.20,000 / - whichever is less.
2.	751 to 1000 Km	50% of the transport cost or a maximum of Rs.30,000 / - whichever is less.
3.	1001 to 1500 Km	50% of the transport cost or a maximum of Rs.40,000 / - whichever is less.
4.	1501 to 2000 Km	50% of the transport cost or a maximum of Rs.50,000 / - whichever is less.
5.	2001 Km & above	50% of the transport cost or a maximum of Rs.60,000 / - whichever is less.
6.	For Sikkim, Assam, Arunachal Pradesh, Nagaland, Manipur, Mizoram, Meghalaya and Tripura,	50 % of the transport cost or a maximum of Rs.75,000 / - whichever is less.

8. Since the Agricultural commodities from the border districts of Maharashtra transported to adjoining states on regular basis, No subsidy will be payable for transportation of less than 350 km in terms of making it feasible to send agricultural commodities to unconventional and distant markets.
9. Under this scheme, a beneficiary agricultural producer co-operative society / producer company will be entitled to a maximum transport subsidy of Rs. 3.00 lakh in a financial year. This subsidy will be applicable only for one-way transport from Maharashtra to other states.
10. If non-agricultural goods are transported under this scheme, no subsidy will be payable for such goods.
11. It is mandatory for the farmer producer company / co-operative to pay the amount of transport fare payable to the transporter by check / RTGS / online banking.
12. After deducting the incidental expenses such as handling, sorting, grading, packing, hamali, transportation, and service charges of the company / organization, etc. from the agricultural produce sales amount received by the farmer producer company / co-operative and the balance amount is credited to the account of the concerned producer member may apply for transportation subsidy. The deduction amount and ancillary financial transactions will be an internal matter of the concerned company / organization and the producer member farmer. Maharashtra State Agricultural Marketing Board will have no any connection in this regard.

13. Maharashtra State Agricultural Marketing Board will not be responsible for non-receipt of sale amount due to lack of quality or other reasons for the agricultural produce sent by the farmer producer company / co-operative society and no transport subsidy will be payable in this case.
14. The Maharashtra State Agricultural Marketing Board shall have the sole authority to disapprove the subsidy in whole, in part or approve in full and the decision shall be binding on the applicant concerned. Also, the Marketing Board reserves the right to make appropriate changes in the terms and conditions.
15. The concerned farmer producer company/co-operative should submit subsidy proposal to the divisional office along with the required documents within 30 days after the sale of the agricultural produce.
16. While sending farm produce to other states, it is necessary to send the farm produce of at least 3 producer members of the farmer producer company / organization in 1 consignment.
