

There are currently 3 Parcel PCET trains are running from the division to CHENNAI, KOLKATA (SHM) AND MUZAFFARPUR. These trains are running at 'P' scale of rate. Apart from that there is different passenger special trains running to Danapur, Bhuvneshwer, Bangalore, and Hyderabad etc.

In case it is intended to transport product in bulk it is informed that the option of Parcel Cargo Express Trains (PCET) may be considered and the rate applicable for these parcel trains shall be at scale 'P' that is lower than the scale 'R'. The PCET service can be provided from stations Khadki, Kolhapur, MRJ, Baramati etc.

The single VP of capacity 23 ton can be attached to these passenger carrying time table trains. The VP can be booked by as below:

- There is regular parcel booking can be done in PCET Parcel Special trains for part load.
- The indent can be placed as and when required for full VP loading.
- The VP can be leased for long term five years for the respective trains.

The time table of Parcel trains running is given below and also indicative parcel rates for different location is given below. These rates are excluding the Development Charges and GST which is @ of 2% and 5% respectively. The rates shown below are as per distance basis the actual freight is as per distance of the locations.

To Station	Distance(KM)	Rate per quintal(Rs.)
